SABLE DEAD AT LAST!

Death for the last of House Sable - King Sable slain!

Fae father and daughter pass from life on the field of battle, surrounded by armies of 'mere' mortals. The tragedy of ancient fae comes to a close. Who fully understands what happened? The mighty powers brought to that place in Teutonia's Black Forest? It's time to look elsewhere.

For who mourns the dead of the allied nations and those people forced to serve the fae of Domination? Those who live just a short time compared to those beings of huge power? It's time to remember those at home who Albion's Warhost serve and shield from the evils of the world.

Sad Losses for Albion in Teutonia

Our thoughts go out to the families of the late Calonar Aceleus of the House of Thorns and Brother Vyncent of the Hospitallers of Damacest. They, and many other brave souls, have fallen as protectors of the common folk. Please remember them and what they have all sacrificed for you.

Morgaine seen in Lions camp!

A vision of the banished Dark Lady is seen
dispensing wisdom to the Heroes of
Albion. What secrets has she shared?

ORDER OF AVALON - After an eventful year
and some controversy we are all wishing for
fresh news of great successes in the Order's
future! Here's to a new year and Sir Victor's
leadership taking these heroes into legends!

TREASON: High King Fights Traitors in Honour Battle for Albion

Law lays low lax layabouts lacking loyalty. Guilty: King Luncan of Sussex (secret House Heron fae, now abdicated and gone from Albion), King Gallad of Elmet (ordered his people to stand with a Heron fae against the High King, now awaiting judgement), Seneschal Braunley of Elmet (secret House Heron fae, now awaiting judgement).

What will the Kings and Queens of Albion say to those that broke faith with the people of the Ten Kingdoms? Who led them towards cruelty and tyranny in the footsteps of those fae that assaulted Oxford two years gone? Shame! Shame! Shame!

Knights of Elmet face off against each other

Servants of the traitor King Gallad fall before The Knight of Chivalry in honour battle. Three cheers for the Lord of Thorns, his skill at arms and purity of goodness. We need more like him.

FAE LEAVE ALBION - WHAT NEXT FOR FORMER HIGH QUEEN GRACE?

Former High Queen Grace, head of loyal House Swan, is leaving public life to serve Albion quietly. She is loved and she is thanked. We at the Patriot hope that her best examples of compassion can guide us all into making Albion a place of peace and justice.

LIGHT IN THE DARKNESS: Corrupted Chapter Master Hugo of the Templars of Trask is slain after being taken by evil powers and twisted away from the Gods of Law. We grieve for the good man he was before this tragedy.
